Attorney for Applicant/s

Limited Recognition Under 37 CFR
§10.9(b)

INFORMATION DISCLOSURE STATEMENT

Dear Sir:

Applicants and their attorney are aware of the following patents, publications or other information, which are cited on the attached PTO Form 1449, and in accordance with 37 CFR §1.97 hereby submit these forms for the Examiner's consideration.

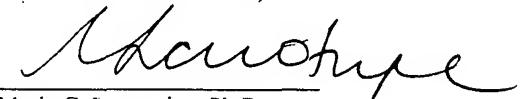

The present application is a divisional application of application no. 09/261,599 filed on February 26, 1999 (Atty. Docket No. MNI-204CP2), Pending, which in turn is a continuation-in part of copending U.S. Patent Application Serial No. 09/223,538, filed December 30, 1998, and entitled

"14273 RECEPTOR, A NOVEL G-PROTEIN COUPLED RECEPTOR", which is a continuation-in-part of copending U.S. Patent Application Serial No. 09/107,761, filed June 30, 1998, and entitled "14273 RECEPTOR, A NOVEL G-PROTEIN COUPLED RECEPTOR". All references listed on the enclosed PTO Form 1449 have been previously cited by or submitted to the Office in the prior application, and, in accordance with 37 CFR §1.98(d), copies of these references are not enclosed herewith, but will be provided upon request.

This statement is not to be interpreted as a representation that the cited publications are material, that an exhaustive search has been conducted, or that no other relevant information exists. Nor shall the citation of any publication herein be construed *per se* as a representation that such publication is prior art. Moreover, Applicants understand that the Examiner will make an independent evaluation of the cited publications.

Under 37 CFR § 1.97(b)(3), no additional costs are believed to be due in connection with the filing of this disclosure. If, however, a first Office Action on the merits issues in this application bearing a mailing date prior to the date of this Information Disclosure Statement, please charge the appropriate fee as required under 37 CFR §1.17(p) to our Deposit Order Account No. 12-0080.

Respectfully submitted,
LAHIVE & COCKFIELD, LLP
